Soccer Shoot Awards Presented

The Winners of our annual Soccer Shoot Contest were presented with their Awards at the Lodge on December 9th. The Winners and their families were greeted with refreshments in the dining room prior to the Presentation, which took place in the Lodge Room before the regular meeting. Each Winner received a trophy, an Elks "Soccer Champ" shirt, and a soccer ball, either an Elks Drug Awareness ball or a ball donated by the Stafford Soccer Association. In addition, the Winners and their families were given Drug Awareness bookmarks and comic books by our State Drug Awareness Chairman, Pete Decatur. Special thanks to the Fredericksburg Fieldhouse, Renee Frey, and the Stafford Soccer Association for their continued help in sponsoring this great event.
