## Arlington-Fairfax 2188 Helps a Legacy Scholar Renew Scholarship

Arlington-Fairfax 2188 helped Legacy Scholarship recipient Martha Durkee-Neuman renew her scholarship. Martha fulfilled her volunteer requirement by helping with our Monday night Bingo. She

worked on the floor verifying winning cards. Martha attends Northeastern University in Boston but is currently in Washington DC doing an internship.

She was very excited to help out with the program that is the major source of revenue for our charities. She also commented that she has enjoyed seeing different Elks Lodges since the first year she volunteered in her home state of Washington, last year in Boston, and now in Virginia.
