Arlington-Fairfax 2188 Delivers Food to Reagan USO in May

Arlington-Fairfax 2188 Veterans Committee members made three frozen food deliveries to the Reagan National Airport USO facility in May. On May 8 and May 23 eleven boxes of frozen sandwiches were delivered to the Reagan National Airport USO facility. An additional delivery of six boxes of frozen sandwiches was delivered to the facility to restock the freezer after additional visitors to the facility over the Memorial Day weekend. Lodge member Linda Gardner made the May 8 delivery. She and PER Patti Graves made the May 23 delivery and PER Patti Graves made the May 29 delivery.

The frozen food deliveries for the USO are an ongoing program that is made possible by monetary donations from many Lodge 2188 caring members and a recently approved Freedom Grant. This program fills the USO freezer storage and provides meals or hearty snacks for the military and veterans who stop by the Reagan National Airport USO Lounge while waiting for their flight connections.

Frozen food deliveries are scheduled for June 5 and 19, 2015.
