Arlington-Fairfax 2188 Delivers to Reagan USO in February

Arlington-Fairfax 2188 Delivers Frozen Food to Reagan National Airport USO

Arlington-Fairfax Lodge Veterans Committee members made two frozen food deliveries to the Reagan National Airport USO facility in February. Each delivery included 10 boxes of frozen sandwich selections to keep the USO facility freezer stocked over the holidays. Deliveries were made on February 6 and 20, 2015 by member Linda Gardner.

Pictured are USO volunteers and member Linda Gardner during the February 6 delivery. The second picture shows USO volunteer, Dan, receiving the February 20 delivery.

The frozen food deliveries for the USO are an on-going program that is made possible by monetary donations from many Lodge 2188 caring members and a recently approved Freedom Grant. This program fills the USO freezer storage and provides meals or hearty snacks for the military and veterans who stop by the Reagan National Airport USO Lounge while waiting for their flight connections. Deliveries are now being scheduled every 2 weeks due to increased visitors to the USO Lounge.

Frozen food deliveries are scheduled on March 6 and 20, 2015.
