Arlington-Fairfax 2188 Hosts Bingo at Martinsburg WV VAMC

On Friday, October 31st, Arlington-Fairfax 2188 Veterans Committee members traveled to the VA Hospital in Martinsburg, West Virginia. Ken Hensley, Linda Gardner, Betty Kuennen, and Donna and Dale Crisp all worked together to make the Bingo games and activities a special event for the 55 service members in attendance. They all received at least two Canteen coupon books, decks of cards, magazines and Halloween treats of candy and popcorn.

We always leave the hospital feeling satisfied knowing how appreciative they are of the prizes and donated items they receive from our lodge. Several commented that they always enjoy our visits to the hospital and would like to see us come back more often.
