Arlington-Fairfax 2188 Lauded by Senior Marine for USO Work

The secretary of Arlington-Fairfax 2188, Jan Sullivan, received the following email message on Wednesday:

Dear Elks of Arlington and Fairfax,

I'm seated at the Washington DC Air Port USO and, your lodge just dropped off some great chow for our service members! As a senior Marine w/39 years of service to our Nation, I'm always grateful for patriots like you and the Elks!

*Thank you and Semper fi - MajGen Mike ****** (Last name

withheld for security purposes.)

The smiles of the military members and their families when they see lodge members making our deliveries to the lounge and a response such as the one above, confirm that what we are doing is definitely making a difference. We are proud and strong in our mission! God bless each and every one of our military members, both active duty and retired!
