## Arlington-Fairfax 2188 Stocks Reagan Airport USO 10-3-14

On October 3<sup>rd</sup> Arlington-Fairfax Lodge 2188 ER Patti Graves and member Linda Gardner delivered frozen food items and snacks to the USO Lounge located at Reagan National Airport. The 2188 Veterans Committee is scheduling deliveries for every 3 weeks to meet the increased demands of the lounge. Additional delivery needs are met during periods of high peak travel by our active duty and retired military personnel and their families.

This on-going program is made possible by monetary donations from many caring Lodge members. We are proud to fill the USO freezer as well as provide hearty snacks for those who visit the lounge while awaiting their flights. Our next delivery is planned October 24<sup>th</sup>.

Pictured with Linda Gardner is a USO volunteer accepting the most recent delivery.
