## Arlington-Fairfax 2188 Supplies Reagan USO Twice in August

Veterans Committee members PER Patti Graves and Linda Gardner delivered eleven boxes of frozen sandwiches to the Reagan National Airport USO lounge on August 14th and 28th. Pictured are USO volunteer Michael and Linda at the August 14th delivery and Michael, Staff Sergeant Robin, and Linda at the August 28th delivery. Robin was a military visitor to the USO facility and volunteered to help receive the delivery.

These deliveries continue our lodge's on-going program made possible by member donations and the ENF Freedom Grant. The deliveries fill the USO freezer and provide meals or hearty snacks for the military and veterans who stop by the lounge while waiting for their flight connections.

Future deliveries are scheduled for September 4, 11, and 25, 2015.
