

# Bedford 2844 Helps with Southwest District Veterans Cookout

Bedford 2844 sent volunteers to help Elks Lodges from the Southwest District of Virginia host a cookout for veterans at the Salem Veterans Administration Medical Center in Salem, Virginia on Sunday, August 27, 2012. Volunteers from the Elks Lodges cooked the hamburgers and hotdogs, prepared the fixings, and assisted in serving about 100 veterans at this annual lunchtime event. As friends of our local VAMC we thank the Veterans for services rendered.
