Bedford 2844 Sends Nine Boys to VEYC

Bedford 2844 sent nine boys to Virginia Elks Youth Camp for a fun filled week of participating in light sports, canoeing down and tubing on the Cowpasture River and swimming. Pictured above are Mikie Switzer, Alex Richardson, R.J. Richardson, Henry Owen, Christian Bersch-Brown, Anthony Owen, Bryson Palmer, Sam Myers, and Cole Calkin. We had 5 "Outstanding Campers" and four "Good Campers." All were invited to return again next year. Each camper was given a pair of "shop safety glasses:" donated by the VEA and they were delighted. One young man fell asleep with the glasses still on as we made the trip back home. This was the second year for one of the younger boys and he stated: "I have waited all year long for this day.....Youth Camp!"
