Bedford 2844 joins Roanoke 197 to have Cookout for Veterans

Bedford 2844 Volunteers gather to join with Roanoke 197 to have a Cook out for Veterans in the Salem Veterans Hospital, Sunday May 20, 2012. The Veterans were served all the food they could eat and the meat was freshly grilled. The men and women helping didn't need to be thanked for helping because they realize how much has already been done in sacrifice by the Veterans for freedom in America. It is an honor to be able to spend time and help lift the burdens they live with every day. God Bless our military and their families. Approximately forty were present to take part in the festivities.
