If you know of a high school senior going on to college whose Parents or Grandparents are Elks in Good Standing they have until January 30, 2015 to apply for the Legacy Award Online. Don't worry if they have also applied for the MVS Award; that will not stop them from being eligible for this Award. In cases where the student qualifies for more than one award, ENF will award the scholarship with the greater value.

If you have not applied for the Beacon Grant you have until March 31, and the Gratitude Grant until May 31, 2015; don't let these Grants go unused. I am sure you can find a project in your Community to use these Grants.

And last but not least please make your donations to the Elks National Foundation by March 31, 2015. It must be received in their Office by March 31, 2015. Thank you for all you do in your communities, the Grant Money Comes from the Foundation for any new members that are not aware of this.
