## Charlottesville 389 Delivers Poinsettias to Area Veterans

On December 8, 2014 Wayne Shaner and Vicki Shiflett visited the VA Annex in Charlottesville and presented veterans with poinsettias. Some are displayed in the area assigned to us.

We also visited several of our brothers who were in nursing homes and veterans who were in the Golden Living facility and gifted them with a poinsettia. Pictured is PER Frank Terrell who is currently residing at The Laurels Nursing Facility where he is recovering from a bad fall.

Submitted by Vicki Shiflett
