Drug Awareness Information for GL Convention in New Orleans

Drug Awareness Program

To All Virginia Elks

This is the agenda for the program on Monday July 14 at the Convention and I am asking all to pass the word around in your Lodges to please try and attend. This can be read on the floor at your lodge's regular meeting to inform all the ERs, PERS, and others about this great program. You will meet some of the Best People on Earth (BPOE) who are doing everything possible to insure that our "KIDS" are safe from the continued use of Drugs and Alcohol. If a friend or family member has had or is having trouble with addiction there will be people there that can possibly help you with any questions that you might have. Hope to see a lot of Virginians there.

Thanks, Pete Decatur, Virginia State Chair
