Drug Awareness Training Session to be Held at Fall Meeting

Drug Awareness Program

There will be a drug Awareness Training Session at the October Convention on Friday October 9 at 3 pm. All members are invited and are encouraged to attend. Bring a pad and pen to take notes and carry the information back to your Lodge. You will get the room number or room name when you arrive at the hotel. Looking forward to seeing everyone and hope to give you some new ideas concerning your Lodge program.....Thanks, Pete Decatur, State Chair
