Due to Storm, VEYC Will be Closed Week of July 1!!

Roger,
I'm sure someone else will contact you with more details later but for now we need an immediate posting announcing that the Youth Camp is CLOSED for the coming week due to storm damage and loss of power on Friday night. **Lodges should NOT send campers on the morning of Sunday July 1 2012!!!**

Hopefully, we may have power restored and roads cleared in order to reopen the camp to campers scheduled to arrive next Sunday and also hopefully we can get the campers who we had to cancel on for this week.

There are no firm answers right now but information will be provided as soon as possible.

Call if I can answer any questions for you – 703-960-6413.

Roger
The storms that came through last night have left the Youth Camp without power for at least the next 4 days. There are trees down everywhere and parts of I-64 are closed. The camp is in good condition but we are unable to support any kids for this week. Lodges that are to bring kids tomorrow, July 1st, **do not bring them**. We are unable to state at this time if we can reschedule. I will be contacting each lodge to notify them. Any questions, please contact Karyn Swenor, 757 617-8166

We are sorry for any inconvenience, but without power we cannot provide the kids with adequate support and care.

Thank you,
Karyn Swenor, 3rd VP VEYC
