*Be a beacon of hope and guiding
light for our future.*

Please plan to attend the Breakfast at our Fall Convention Saturday October 14th., in Virginia Beach. The theme is Lighthouses for two reasons, we will be at the beach and lighthouses are a guiding light for seafaring vessels, just as we can be a guiding light to our youth.

I am requesting each Lodge donate a gift basket to be silent auctioned. The basket does not need to be Lighthouse themed. Whatever you choose to do will be fine. The money raised will be contributed to the Virginia Elks Charitable Trust Fund.

I am looking forward to seeing each of you Saturday morning.
