Fredericksburg 875 Gives Safety Glasses to Local Schools

Fredericksburg 875 recently donated 1900 safety glasses to some of the local high schools and one technical center in Fredericksburg City, and Stafford and Spotsylvania Counties. The glasses were presented by Past Exalted Rulers Ron Sykes and Ray Dameron. Pictured in the photo above are students from James Monroe High School, their instructor Andrew Ewing, (third from the right) and Past Exalted Ruler Ray Dameron (first on the right). The schools presented with the glasses were Germanna Community College, Stafford Senior High School, North Stafford High School, Spotsylvania Career and Technical Center, James Monroe High School, Riverbend High School, and Courtland High School. These glasses will prevent injuries and teach the students the value of wearing safety glasses.
