Front Royal Elks Lodge 2382 hosted Veterans from the VA Hospital in Martinsburg, WV on Saturday, July 14th. Local Cardinals Baseball Team, along with area Senior Citizens & many of our Lodge members, gathered for Barbeque Ribs and Chicken with lots of sides and three tables of delicious desserts.

VEA President, Darryl Myers, with his wife Karen, enjoyed several hours of food, fun & fellowship with the approximately one hundred in attendance. The veterans enjoy visiting each year and play pool, card games and just share stories of the past with both the seniors and the young baseball team.
