trailer, handing out DARE coloring books, crayons, and ice cream.

Approximately 400 were in attendance that morning. Working the event from the Elks Lodge were Dennis and Linda Henline and Jane Wine. In attendance with her daycare was our Lodge Treasurer's granddaughter, Emery Lake Kinsey. (Note that her initials are **ELK**.)

The Sheriff's Department had on display the Distracted Driving Car that the lodge helped sponsor. (Note the Elk Emblem on the side). There were lots of animals to look at and everyone had a great time.
