

Hampton 366 Gives Books to Local School for Second Year

Beacon for Books has partnered with Burbank Elementary School and used a Beacon Grant from the Elks National Foundation (ENF) to distribute books to all of their classes.

All the children were excited to have Dr. Seuss' helpers (L to R, Exalted Ruler Dave Kelly, Secretary Stayce Jo Doore, Leading Knight Michelle Clayton, and Loyal Knight Rob Elam,) assist them in choosing that special book, just for them.

There were SOOO many books to choose from and it was hard to make a decision but everyone got their own book and a promise that we would be back in

the fall with new books to choose from.

The Lodge was honored to receive a special "Thank You" from Mrs. C's 5th grade class.
