Hampton 366 Treats VAMC Veterans to Monthly Bingo and Goodies

Hampton 366 made their monthly journey to the Hampton VA Medical Center to treat the Veterans there to an evening of bingo and, following their game enjoyment, some punch and cookies. This is repeated eleven additional times each year in addition to a May VA Fair and November Thanksgiving Luncheon.

Special Thank You to the US Air Force at Langley Air Force Base for allowing military volunteers to support the Elks in helping our Veterans.
