

## Hampton 366 and Virginia Beach 2268 Entertain Vets at VAMC

On Sept 10, 2015, the Hampton VAMC had Veterans Appreciation Day. There were booths set up and food was served to the volunteers. The Veterans were able to play games and win prizes.

Hampton 366 participated and had tic-tac-toe with pizza as prizes. Virginia Beach 2268 also participated with a golf putting game and gave sweet goodies as prizes. The Elks and the Veterans had a good time. Even a quick rain shower could not put a damper on the fun. The breeze off the water was wonderful.

There was a group of young Marines from Yorktown that helped all day with setups and cleanups and helping the Veterans play games; they also enjoyed themselves.
