The recent golf tournament for the benefit of Hoop Shoot held September 18 by Harrisonburg Lodge 450 was a huge success. Preliminary numbers estimate about \$1,500 was raised for the local Hoop Shoot. Forty eight golfers participated in the tournament and then enjoyed an excellent banquet prepared by Lodge member Donna Finnigan of Finnigan's Cove. Trophies were awarded to all team members of the winning teams, along with multiple prizes of golf balls, golf accessories, and other valuables. Every golfer was a winner, however, as there were enough door prizes that every golfer received at least one door prize, and some two. Door prizes were provided by the Lodge, lodge members, local businesses, and individuals. In addition, hole sponsorships were given by local businesses and individuals and provided a substantial part of the proceeds. The annual raffle provided \$400 toward the proceeds and the 50/50 raised \$185. Lodge 450 thanks all the golfers who competed, all those who contributed door prizes, all those who bought hole sponsorships, and all those who bought raffle tickets and 50/50 tickets. The Lodge would also like to thank Brenda Long and Barbara Monger for manning the registration table at the tournament, selling 50/50 tickets at the banquet, and helping with clean up after the banquet. And last but not least, the Lodge thanks Doug Bowman and Ron Heatwole for all the hard work and worry they put in to set up and hold this very successful tournament and banquet.
