Lodges 389, 1766, and 2268 Team up in Taking Kids to Camp

L to R: Onancock ER Ritchie Turner, Virginia Beach Lecturing Knight Karyn Swenor, and Charlottesville ER William Hussey, Jr.

Charlottesville 389, Onancock 1766, and Virginia Beach 2268 all met at Charlottesville 389 in a group effort to bus their 22 campers to camp. With rising gas prices, and the long ride to camp, it was decided that all three lodges would pool their resources to minimize their costs to send their kids to camp. (Big thanks to 389's Dave Benoit for his Coordination Efforts)
