## Lodges 38, 315, 366, and 2268 Host Veterans at VA Fair

Hundreds of veterans at the Hampton VA Medical Center were treated to games, prizes, food, entertainment and custom cars in honor of their service to our Nation. Wednesday, May 14<sup>th</sup>, was the magic day and it all came together like clockwork. Not just the Elks, but organizations like the VFW, Military Order of Cooties, American Legion, Knights of Columbus and many more, were saying **THANK YOU** for their many sacrifices. This an annual event that these organizations look forward to with their veterans committees
