

Lynchburg 321 Remembers Kids and Vets This Christmas

Saturday, December 21, 2013, Lynchburg 321 held a Children's Christmas Party. The recipients came from Salvation Army, Miriam's House and Special Olympics. We were saddened to learn that our youngest guest wasn't there because he was with Hospice. His family took his gifts for him.

Keziah Bishoff wrapped the gifts and transported gifts and Shirley Park to the Lodge. Ed Tinsley, (aka Santa) entertained the children and Keziah helped in handing out the gifts. Hazel Ashworth brought treats for all to enjoy. Larry Burruss and Margret Melquist helped in setting up the room and Margret operated my camera. Carol Viscusi, Secretary, did all of the ground work to get our grant and the Agencies involved. Jill Wagner and Kathy Shepard gave assistance where needed.

Monday, December 23, 2013 Shirley Park and Susan Cook (driver) delivered 26 Christmas Gifts to the Salem Veterans Affairs Medical Center from Lynchburg 321. We were greeted by Ryan Pleasants and his helpers who unloaded my truck. There had been eleven cards left on the Veterans tree, Roger Shepard took a few and Fred Park took the rest.

No Veterans were left behind on Christmas.
