Lynchburg 321 Supports Veterans and MDA

Lynchburg 321 is doing a Veterans Tree. Members are encouraged to take a card with the wish list of a Veteran inside. The card will be attached to the gift box and will be taken to the Salem VAMC sometime in December.

On Friday November 8, because the Lynchburg Veterans Medical Clinic was not to be open on Monday the 11th, Roger Shepard (Veterans Service Chairman) took a lunch to the Veterans Clinic for all the Veterans to enjoy. He also makes sure that there is coffee and supplies and snacks every day at the Clinic.

On Wednesday November 13 Lynchburg 321 sent their ER, Shirley Park, to Jail for Muscular Dystrophy Association. All money raised stays in the Southwest District of Virginia. Shirley had the opportunity to meet Parents and Grandparents of the young people who will benefit from this drive.
