Martinsville 1752 Gives out Drug Literature in Local Parade

Martinsville 1752 participated in the Martinsville-Henry County Christmas Parade on Saturday, November 22. The Lodge pulled the Southwest District's Drug Awareness trailer and Elroy T. Elk walked the parade route greeting children and other parade watchers. Elroy and Elks volunteers handed out bags to children, which included drug awareness pamphlets as well as Frisbees that stated "DRUG FREE FOREVER." The packages also included information about our upcoming Hoop Shoot contest. We handed out 500 packages during the parade.
