

More Contributions to Pulaski Tornado Relief Fund

Pulaski Lodge Exalter Ruler Presents another Donation to Robert Hiss, Pulaski County Assistant County Administrator, who is handling the Tornado Relief funds and distributions

Elks from across the great Commonwealth of Virginia have continued to generously contribute to the Pulaski County Tornado Relief Fund. Jim Chitwood, Exalted Ruler of Pulaski Elks, was overwhelmed with the thoughtful caring of Elks for the people in Pulaski. "Elks are great benefactors to their communities and now have reached out to Pulaski. I am proud to be a member of the Elks and all that they accomplish." The Elks in Virginia have contributed over 4,500.00 dollars thus far. ER Chitwood would like to thank Roanoke Lodge #197, Front Royal #2382, Woodbridge Lodge #2355 and Martinsville Lodge #1752 and the many individuals that contributed in the Southwest Virginia Suite at the Virginia Elks Convention recently held in Chesapeake, Va. hosted by Roanoke Lodge #197. Thanks for gifts that ER Bill Schindler of Staunton Lodge #351, Dan Toft of Waynesboro Lodge #2270, State VP Beverly Hamby of Virginia Beach Lodge #2268 and Past State President Bill Tennis of Hampton Lodge presented to ER Chitwood. This response in support of Pulaski was tremendous and demonstrates how Elks pitch in when the need arises.
