New GL Provision for Local Lodge Rental or Use

VEA Accident Prevention and Risk Management Committee Chair Darryl Myers advises all Virginia Lodges of a new policy and procedure regarding Local Lodge Rental/Use. The Summer 2015 Accident Prevention/Insurance Risk Newsletter warned of deficiencies and problems with most Local Lodge Rental/Use Agreements. To see this article, go to http://virginiaelks.org/committees/accident/Local_Lodge_Rental-Use_Agreements.pdf. Note the underlined section. Renters may wish to take advantage of a new Grand Lodge and Aon provision to provide this to the Lodge.

Grand Lodge and Aon Insurance can now provide Event Insurance for Lodge Rental/Use. Go to: http://virginiaelks.org/committees/accident/Revised_Lodge_Hall_Rental_Insurance_Announcement_Dated_10-13-15.pdf to read more about the Event Insurance available from Aon and Grand Lodge.

Go to: http://virginiaelks.org/committees/accident/Elks_Rental_Insurance_Form_10-15-2015.pdf for the application form and instructions for purchasing this insurance. The application form is a “fillable” form, that is, information can be typed directly into the form on your computer screen then printed with your printer and mailed, faxed, or emailed to Aon. Most browsers support this feature; if yours doesn't, you may have to open it in a different pdf viewer program like Adobe Reader.
