Northern Neck 2666 Gives Safety Glasses to Local Tech Center

Northern Neck 2666, in conjunction with the Virginia Elks Association, presented 300 pairs of Elks Safety Glasses to Northern Neck Vocational Center in Warsaw, Va. Exalted Ruler Larry Crawford, who presented the glasses on behalf of Northern Neck 2666, graciously accepts thanks and appreciation from Mr. Todd H. Davis, assistant principal of Northern Neck Technical Center.

This is the third year in a row that Northern Neck 2666 has donated safety glasses to The Tech Center. Safety Glasses are a requirement for the students, and by donating these glasses, the Lodge helps the Center to free up funds that the center can use for other purposes.

Our lodge was also delighted to have enrolled three new members at our last regular meeting on Wednesday, September 26.
