

## Northern Neck 2666 Welcomes DDGER Lynn Rutherford-Snow and Staff

L-R: DD Auditor Ellis Frazier, DDGER Lynn Rutherford-Snow, ER John Barlow, and DD Esquire Milton Werner

Northern Neck 2666 welcomed Central District Deputy Lynn Rutherford-Snow, Central District Deputy Esquire Milton Werner, Central District Deputy Auditor Ellis Frazier, and Jimmy Snow to their lodge on October 14, 2015. We had the pleasure of meeting with ER John Barlow, Secretary Dot Almassy, Treasurer Esther Willis, and Trustee Chair Airy Taylor. After conducting business on hand a delicious meal was served and enjoyed by all in attendance.

DD Rutherford-Snow spoke to the Lodge members about GER Hicks' message of "Elks Pride ~ Community Focus". She also praised them on being involved in their community which creates a positive impact. Some of their activities include allowing their lodge to be used for "Life Screening", supporting the local Cancer Society, and supporting kids with special disabilities. Northern Neck also partnered with Special Olympics and decorated a float that took FIRST Place in the local parade! They have donated 144 Safety Glasses and used their Gratitude Grant to sell chicken and crab cake dinners with the proceeds from the sale being divided among the local EMT, Police, and Fire Departments. Thank you Northern Neck for doing a great job in delivering GER Hicks' theme "Elks Pride ~ Community Focus"!

ER John Barlow proudly accepted two certificates presented to him and their lodge. One was a "Citation of Merit" for achieving a Lapsation of 2% or less and one for exceeding the "GER's \$4.60 Per-Capita Goal" for 2014-15.

In closing, Lynn thanked Northern Neck 2666 for their gracious hospitality, offered her support when called upon, and to remember "Elks Care, Elks Share".
