## Note from Bev Hamby on ENF Beacon Grants

### Don't Leave Your Beacon Grant Behind!

If you had the opportunity to receive \$2,000 to serve your community, would you let it pass you by? ENF Beacon Grants—\$2,000 grants available to all Lodges—build stronger communities by helping Elks run an ongoing, charitable, Elks-led project. Don't miss this chance—applications are due March 31, 2014.

We have 8 Lodges that have applied for this Grant and one Lodge, Loudoun, needs to follow-up with the Foundation.

To the following Lodges, I thank you for the great work you will do in your Community with these funds.

Portsmouth-Chesapeake

Roanoke

Staunton

Winchester

Fredericksburg

Onancock

Woodbridge

Front Royal

On another Note we have 18 Lodges that qualify for the Gratitude Grant and only 7 have applied. I won't list them but please don't let this money not be used.
