Note from Pete Decatur about Drug Awareness Chairs

All Exalted Rulers and Secretaries: I have been asking for the name, address, e-mail and phone numbers of your Drug Awareness Chair Person in your Lodge for quite some time now with no success. There are a lot of changes coming to the Drug Awareness Program in the near future. If we want to help our Communities grow stronger, we need to help prepare our Kids for the future. I can give out all this new information through e-mails and the web. I am sure that the new materials and information will enhance your Lodge Program and bring it to a different level. I need a report from each Lodge on all their activities for the year no later than August 25 for my report to the Grand Lodge. The forms are on the state web page. "Remember, Children are the messages we send to a future we shall never see"

Thanks, Pete Decatur, State Drug Awareness Chair,
