

Paul Shoemaker Second Note on Rooms at GL Convention

Grand Lodge National Convention  
Reno, Nevada  
16-19 July 2017

Good afternoon Virginia Elks:

Reno is just around the corner.

I know you might think this is early, but we want to make sure Virginia is well taken care of. As of today 18 January, we have received twenty reservation forms back, this is half of the rooms we asked for, and none are from the lodges. I know February and March are when we pick our Exalted Rulers, but I would ask if you know whom your Exalted Ruler is going to be please have them fill out their reservation form and send it back. If you do not know who the ER is going to be as soon as the elections are over with please have them send their form in. This goes for everybody that plans on attending the convention, if you are going to send in the form now, this way if we need more rooms we will have the time to get them.

**Reminder: DO NOT CALL THE HOTEL TO MAKE RESERVATIONS THEY HAVE TO COME THROUGH ME.**

Thanks

*Paul Shoemaker*
