Petersburg 237 helps Saint Mark's UMC package over 12,000 meals for "Stop Hunger Now." "Stop Hunger Now" is a project of the United Methodist Church where a community comes together to package bags of a dried rice base mixture of vitamins and minerals that when mixed with water will feed a family of 4 for 10 days. On this day over 12,000 meals were packaged by this group. Pictured above is Lodge 237 Secretary Eric Hamilton (seated) and Pastor Grechen Nelson (dressed in black) behind him. There were 56 community members working on this day. Lodge 237 helps with community projects whenever they can.
