Petersburg 237's Eric Hamilton Honors our Veterans

Above, left, in Honor of our Veterans, Petersburg 237 Secretary Eric Hamilton placed a wreath at the Veteran's Memorial Wall, in Chesterfield County, Virginia.

Above, right, Eric also honors his Uncle Anthony (Tony) Vario for his bravery. He parachuted with the 82nd Airborne Division "into hell" in the early hours of June 6, 1944 and fought bravely until he and a number of other brave men were captured and later killed in a German Concentration camp. Eric points to his Uncle's name on the Matoaca WWII memorial. The memorial inscription reads: "In memory of the men of Matoaca and vicinity who made the supreme sacrifice in World War II."
