Portsmouth-Chesapeake 82 Holds Fishing Trip for Vets July 26

Portsmouth-Chesapeake 82 welcomed thirty-nine veterans and twelve guests aboard the Judith Ann head boat (Ocean View Fishing Pier) on July 26 for their annual fishing trip in the waters of Hampton Roads. It was a windy day on the water, but fish were caught, and veterans from Hampton VAMC and our Lodge were treated to a great day of recreation near Fort Wool, Fort Monroe, and Naval Station Norfolk.
