

Portsmouth-Chesapeake 82 Serves Meal to Roc Solid Volunteers

On Saturday, May 17, 2014, Portsmouth-Chesapeake 82, funded by their ENF Gratitude Grant, provided and served a well-deserved meal to over fifty Roc Solid Foundation volunteers, sponsors, and members of a local family. Roc Solid “played it forward” for a young man battling cancer, by surprising him with this play set in his own backyard, after he and his family enjoyed the morning at the Virginia

Zoo. Lodge 82 has committed to a minimum of 5 more builds with Roc Solid this year. This play set was sponsored and constructed by New Branch Community Church in Windsor, Virginia.
