Portsmouth-Chesapeake 82 Sponsors Fishing Trip for Veterans

Portsmouth-Chesapeake 82 sponsored a charter boat fishing trip for 35 veterans from the Hampton VA Medical Center on Friday, July 27, 2012. Pictured here, surrounded by some happy children, is Esteemed Lecturing Knight Tom Connor, giving us a “thumbs up” for an exciting day on the water. The crew reported that the catch was excellent for the day; and ER Vicki Kincaid reported that the veterans, and 12 Elks and guests, all had a blast. Thanks are extended to the Grand Lodge Gratitude Grant program and VEA Southeast District Veterans Committee for the financial means to show our honored Veterans that the Elks will always try to find ways to show our appreciation for their service and their sacrifices.
