Portsmouth-Chesapeake 82 Takes Veterans on Fishing Trip

Veterans from the Hampton VAMC were taken out for a great Fishing Trip on Friday, August 22nd. The trip was coordinated by PER Vicki Kincaid. There were twenty-five in attendance, including Veterans, Lodge members and guests. A great time was had by all. The sun was not shining, but the grey skies actually made it nice. Thanks to everyone that donated and came out to show your support. We are already planning next year's event!
