Pulaski 1067 Awards Scholarship to Local Student

L to R: Pierce Rigney and Larry Vest

Larry Vest, Scholarship Chairman of Pulaski 1067, announces that Pulaski County High School Class of 2012 member Pierce Rigney has been selected as the recipient of this year's Pulaski Elks Lodge Scholarship. Pierce is the son of Susan Marie Rigney of Pulaski Virginia. Pierce has maintained an honor roll status from the 9th through the 12th grade and finishes his studies at PCHS with a 3.71 GPA. His laudable GPA is also supported by his athletic ability, volunteer work, and achievements as an Eagle Scout. He will enter the University of Richmond and has an opportunity of playing football for the Spiders. His long term goal is to obtain a degree that will prepare him for a career with international law enforcement.

The Pulaski Elks Scholarship is funded by generous Pulaski Elks Members and citizens of Pulaski County. The Pulaski scholarship program endowments began well over 24 years ago. With contributions and monetary support of the lodge members the programs and scholarships have matured and grown to support such activities as summer youth programs, special scholarships, and special grants to history, education, and civic projects for Pulaski County students.
