

## Pulaski 1067 Holds "Old Pros" Concert for Veterans Nov 6

Pulaski 1067 held another annual "Old Pros Big Band" concert for veterans on November 6. The Old Pros Big Band gave their usual great concert of Big Band Era standards as well as Big Band Era stylings of more modern musical works.

Lieutenant Colonel Alicia M Masson is shown with Gary Cox and ER Jim Chitwood. She did a great job as Master of Ceremonies. She gave a very inspiring speech. LTC Masson assumed command of Radford Army Ammunition Plant on June 12, 2015 and is the first female commanding officer of any US Arsenal. In addition to being Radford Arsenal Commanding Officer she has had five tours of duty in Afghanistan and Iraq. She was awarded two Bronze stars and is proud of her Parachutist Wings.

Thanks to Cub Scout pack 143 for their help with the flag ceremony to honor the veterans that attended. We had a great turnout and awesome music by the Old Pros band.

Submitted by Gary Cox
