## Pulaski 1067 is Major Sponsor of Claytor Lake Festival

June 13 and 14 marked the Claytor Lake Festival. The state park located in Pulaski county hosted thousands of visitors over and above the normal attendees for food, fun, and activities. Live music and a one of a kind car show along with a spectacular fireworks show were on tap for this year's event.

Pulaski 1067 was a major sponsor of the event and contributed free face painting to children as a lead off to the Lodge's Drug Awareness message. Lodge member Judy Isom chaired the project.
