Re-Creation USA was at the Hampton VA Medical Center on March 9 to perform for our Vets. They head out to Richmond for a performance today, March 10, at McGuire VA Medical Center. Re-Creation USA always gives an inspiring performance.

Re-Creation USA is a group of young men and women between the ages of 18 and 30 who are all volunteers. They have given up a year or more of their lives to perform this act of love. They travel to all 50 states each year, going from VA medical center to VA medical center, warming the hearts and brightening the lives of hospitalized veterans. And they do so without pay.
