Several SE Lodges Participate in Fair Day at Hampton VAMC

Bright sunshine and spirits filled the air during the Annual Vets Fair at the Hampton VA Medical Hospital Grounds. Virginia Beach 2268, Newport News 315 and Hampton 366 joined with many other fraternal and veteran organizations to pay respects with over 200 veterans also enjoying the afternoon on Wednesday, May 13th. Active duty military personnel assisted our veterans to enhance their enjoyment.

Golf, corn-hole and tic-tac-toe games and prizes were provided by the SE Elks Lodges. In addition, the other organizations provided games and food for our veterans to enjoy, which they did very much. Also on the menu for the afternoon were old car displays and music to soothe the souls and cause the afternoon to pass with smiles on their faces.
