Staunton 351 and Elroy Participate in Local Kids Matter Day

On May 2, Staunton 351 members participated in Kids Matter Day sponsored by the Staunton Recreation Department. Elroy the Elk was there to greet the kids and parents, and over 1400 pieces of Drug awareness materials were handed out by our members. Those items included bracelets with the Elks Kid Zone website, bookmarks, coloring books and stickers. Additional DAP literature was made available for parents to select as they chose. It was awesome seeing the influence we

have as the parents and kids interacted with us. Many thanks to these members for their participation: Nancy Dickerson, Bob Bean, Carrie Hiveley, Paul Hiveley,

Karen Carper, Jeff Byrd as Elroy the Elk, and Lisa Kitching.
