## VEA Safety Glasses and VEYC Join to Give Glasses to Campers

While visiting Loudoun 2406's Mortgage Burning Ceremony on June 21, 2014, a friendly, casual conversation among fellow Virginia Elks resulted in a decision to "share resources" between Virginia's two state projects - The Virginia Elks Youth Camp & The Virginia Elks Safety Glasses Project.

Starting with this camping season, the summer of 2014, the Virginia Safety Glasses Project will supply a pair of safety glasses for each camper! Each girl and boy will have glasses to use at camp and to take home as a gift from the Virginia Elks!

Thank You to VEYC President Georgianna Knotts & VEA President Beverly Hamby for their efforts on behalf of the Virginia Elks!
