## VEYC Board Appoints Donald Tucker as Camp Director

### Virginia Elks Association Youth Camp Millboro, Virginia

The Executive Board of the VA Elks Youth Camp is pleased to announce it has chosen Donald Tucker, "Tuck," for the Camp Director position. Tuck has many years of experience working in different capacities at the Youth Camp and is very familiar with the everyday running of the camp. He has many good ideas for improvement in the day to day tasks of the camp and in helping us to regain our ACA accreditation this summer. On behalf of me and the rest of the Board we are looking forward to working with Tuck and making our camp the best it can be. Thanks to all for your continued support of the VEYC and we sincerely hope you will be able to visit this summer.

Yvonne Hall  
VEYC President
